Insights from Data

REVIEW

ANNOTATIONS 1

HISTORY

Meets Specifications

You certainly did well today. 💪

that's all ! Enjoy and keep it up the great work so far. i will look forward for your next project submission.

please, find the attached file check it's notes

Completeness

Three insights are reported using one Dashboard.

Three interesting insights are reported in the submission as required. Good job!

Each insight has an explanation describing how the insight was reached from the data.

For each insight, provide a screenshot that shows what you found in the dashboard.

Great work you have provided each insight with a detailed explanation with a screenshot showing what you found in the dashboard. 🍌

The screenshots you provided, are accurate representations of the insights. Well done!

Correctness

Student's conclusions are correct based on the data.

You have done a great work with your insights, your conclusions, and steps are correct
your reported insights are correct based on the presented data 📄+1:

The dashboard was used appropriately to find the information.

Great work in using the dashboard appropriately to find the information. It was used appropriately to make accurate conclusions in from the data. The images provided do represent the insights stated. Well done!
